Half Bad is a wonderful integration of witches into modern day society and makes for an intriguing and compelling story that makes you question today 's world(or at least it did for me). The far superior White Witches or S***es(I love this!) as they become to be known through one character, have control of much of the UK and are in the process of hunting down and seemingly culling Black Witches.

Half Wild is quite impressive, and at times, more than a little revolting. This is not Harry, Ron and Hermione searching for Deathly Hallows. Not by a long shot. The continuing saga of half code Nathan and his enamored companion Gabriel and the fair Annalise is ratcheted up a notch.
