Gradually Lear's rages become signs of impotence, not authority. By the time he rushes out into the storm our sympathies are likely to lie – and remain – with the beleaguered king. Many critics see Lear's insanity as a learning process. Lear needs to suffer to improve his understanding of himself and the society in which he lives.

In King Lear he focuses on the tragic consequences of two fathers' actions, and how events shape their characters. During the course of the play the other characters also change and grow; some are good and become better, others are bad and become more depraved. Lear and Gloucester are exceptions. Neither is good or bad in a straightforward way.

Characters Characterisation King Lear: Advanced - York Notes

The suffering in King Lear is intense, violent and relentless. Many of the characters are driven almost beyond the limits of endurance, reflected in the imagery of the play. Lear speaks of his daughters – especially Gonerill – attacking him physically.

Images and themes Suffering King Lear: Advanced - York Notes

1 Nothingness. Lear loses everything: his kingly status, his family, his mind. Lear has to come to terms with his own 'nothingness' as a man – instead of seeing himself as 'constructed' king. Gloucester is a second figure of authority who is reduced to nothing in order to see more clearly.
