In other words, you should look for the user manuals by model. The user manual for a Krups Essenza Nespresso is the same as that for a Delonghi Essenza Nespresso, to give an example. We point this out because many users confuse what the model concerns what the manufacturer of the machine is. So, let's get down to business.

Straight from the design studio, the Nespresso Pixie coffee machine will please those who like an industrial style. With its hammered metal sides, it is a machine crafted for those with strong standards in coffee, and in looks. With only two buttons, the Pixie Nespressomachine has a 19-bar high-pressure pump and a fast heat-up system.
