The Masai: their language and folklore on eHRAF World Cultures

Swahili (along with English) is the national language of Tanzania and Kenya and is surprisingly easy to learn. Tanzania is home to about 130 tribes and each of these tribes speak their own distinctive languages, however, one of the biggest tribal groups are the Maa speakers. Maa is spoken by the Maasai tribes as well as the Samburu and Datoga tribes, to name but a few.

An introduction to Maa – the language of the Maasai and ...

The Maasai (also Masai, Maasais or the Maa community) are pastoralist people inhabiting much of Central Kenya, Southern Kenya, and Northern Tanzania. The Masai people speak the Maa language. They are well known internationally because of their unique culture, dress and residence around major wildlife reserves in East Africa.

The Maasai People - Culture, History and Facts ...

The Maasai are in part the better known ethnic people in East Africa due to their traditional origins from areas surrounding Masai Mara Game Reserve and Amboseli near the Tanzania border. The Maasai speak a language known as Maa and their shared Nilotic origins link them in various ways to the Kalenjin tribe of Kenya which is famous for producing some of the best long distance runners in the world.

Maasai Bible | - About the Maasai Language

According to linguistic research, the Maa language is hermetic and not one of the numerous Bantu languages on the African continent. It is believed that the Maasai originated somewhere in the Middle East and came down the Nile River to our present territory, the plains of East Africa.
